<i>Statistical unit - Description</i>	The enterprise is the smallest combination of legal units that is an organizational unit producing goods or services, which benefits from a certain degree of autonomy in decision-making, especially for the allocation of its current resources. <i>Statistical population - Description</i>	Enterprises affiliated to ONSS are employers. An employer is a natural person or legal establishment that employs staff (waged workers). It is incumbent on the employer to declare all their waged staff to the ONSS. An exemption is made in the case of Local and Provincial Administrations affiliated to ONSSAPL, also for Merchant Navy volunteers affiliated to the Emergencies and Contingencies Fund (CSPM). The National Institute of Social Insurance for self-employed/freelance workers (INASTI) deals with the social-security status of self-employed workers.
